Carrier Objective

Hi, I'm **Mahadi Hasan**, graduated from **University of Greenwich** under **Daffodil International Academy** in **2016**. I'm currently working as the **full-stack Developer** in **Daffodil Japan IT**. As a worker I like to keep myself dedicated, analytical, responsible and honest. I'm looking forward to getting myself a job in a more senior position to further grow my carrier as a web developer.
